

Digital Marketing & Communication Internship

Incize, a Belgian hi-tech/R&D start-up, is looking for a candidate who is in her last year of masters in communication, marketing or related fields.

No technical background is required, however an interest for technology is highly appreciated.

This is a full-time internship that requires dedication and discretion. The candidate has to engage to a strict confidentiality practice.

Today, we are a team of 13 members. Incize started in 2011 as a spin-off from Université catholique de Louvain (UCLouvain) in Belgium, one of the most prestigious universities in Europe and home to globally recognized laboratories.

The candidate should be prepared to work in a fast-paced and innovative/hi-tech environment, and will rapidly gain a broad experience in various aspects of marketing & communication.
